## Gettysburg Leadership Experience for Co-op Leaders

**September 12 – 14, 2017, Gettysburg, PA**

The approach of The Gettysburg Leadership Experience is to use the Battle of Gettysburg as a historical backdrop for exploring time-tested leadership approaches. Using a case study method, the two and one-half day workshop will focus on:

- » Anticipatory Leadership
- » Clarity of Communication
- » Transactional and Transformational Leadership
- » Predictable Surprises and Negotiating Difficult Conversations

These modules were specifically selected to help cooperative CEOs and Senior Leaders, address contemporary issues facing our industry and your co-op and its workforce specifically. NRECA has worked with FCC Services, and whose membership base is similar to NRECA's, to hone and customize the case studies to ensure a solid connection with our industry.

You don't have to be a history buff or Civil War expert to appreciate the real life leadership demonstrated in Gettysburg so many years ago. We believe the battlefield lessons will come alive for each participant. The program is limited to 30 participants, and we anticipate that the session will sell out quickly.

Gettysburg Leadership Experience for Co-op Leaders is part of the Board Leadership Certificate curriculum, BLC 941.2.

Upon completion of this 2.5 day course directors will earn two credits which can be applied to –

- » Earning the BLC
- » Earning credits after they have completed the BLC to attain Director Gold status
- » Continuing education to maintain the Director Gold certificate

## Travel Information

There are four major international airports within two hours of Gettysburg – Philadelphia (PHI), Baltimore-Washington International (BWI), Washington Dulles (IAD) and Washington Reagan (DCA) -- and one fair-sized regional airport in Harrisburg.

The most convenient airport to and from Gettysburg in terms of the number of flight options in and out, travel time it takes getting to and from Gettysburg, and with the least amount of traffic to deal with is Baltimore-Washington International (BWI).

Harrisburg Regional Airport is 45 minutes away, but has limited flights and they can be expensive.
