## Winter School for Directors

As boards are challenged to address multiple large-scale issues, including rising costs, climate-change, power supply constraints, and heightened scrutiny of corporate governance practices, NRECA's Winter School for Directors is designed to ensure that board leaders develop the knowledge and skills required to meet these challenges successfully.

Why Should You Attend?

Earn your [Credentialed Cooperative Director \(CCD\)](http://conferences-education/certificates/director-certificate/pages/ccd-certificate.aspx) certificate or your [Board Leadership Certificate \(BLC\)](http://conferences-education/certificates/director-certificate/Pages/blc-certificate.aspx) while networking and sharing solutions with fellow directors from co-ops across the country. If you've already earned your CCD and BLC credentials, but still need the additional 3 credits required to earn the NEW Director Gold status, take advantage of 2016 Winter School to get the credits you need!

The new Director Gold credential recognizes directors who have earned their CCD and BLC credentials and are committed to continuing their education throughout their service on the board. If you have already earned your first Director Gold, you may apply the Directors School as one credit of continuing education for maintaining Gold. Working towards earning your initial Director Gold certificate? To earn the initial Gold, one must hold the CCD and BLC credential, and earn three additional credits from the Board Leadership Certificate series of courses.
